

Governor reviews Yatra preparedness; CEO deputed to the enroute Camps

SRINAGAR, JUNE 18 – The Governor, Mr. N. N. Vohra, who is Chairman of the Shri Amarnathji Shrine Board, chaired an exhaustive review meeting here yesterday to take stock of the delays caused by the continuing inclement weather in the Yatra area.

Recognizing the likely difficulties which may be caused because of the significantly slow melting of snows in the higher reaches of the Yatra area, the Chairman has despatched the CEO, Mr. Navin K. Choudhary, and the Head, Engineering Division, Mr. R. K. Pandita, to visit each Camp and ensure completion of the required tasks well in time. As per the Chairman's directions, the CEO and his team shall spend the next three days, 18th – 20th June, on the tracks. The Chairman shall personally review arrangements at the Holy Cave, Panjtarni and Sheshnag Camps from 21st June onwards.

Taking note of the serious difficulties faced at Sangam, the Chairman has ordered the deployment of two senior officers at this site. Consequently, a Camp has been set up at Sangam and has started functioning.
